To

All Collectors,
All Deputy Labour Commissioners,
All Assistant Labour Commissioners,
All District Labour Officers

Sub: Composite Inspection Scheme.

Madam/Sir,

You are aware that the field officers of the labour directorate are required to undertake inspections of different types of establishments under various labour laws. Although Labour Directorate issues month-wise targets to each Inspecting Officer for conducting inspections under different Acts, the same is not carried out in the field in a systematic manner. The Inspectors sometimes visit a single establishment more than once, for inspection under different Acts while many establishments are left uninspected for years together.

In order to ensure that field inspections are conducted in a systematic and efficient manner, it has been decided to adopt a Composite Inspection Scheme, the details of which are at Annexure 1. Under this Scheme, for each calendar year (January to December) a schedule of Inspections will be drawn up for each labour district, listing out all the establishments in the district and the month-wise schedule of inspection for these establishments by a specific Inspector. Every inspection shall be held so as to cover all the labour statutes applicable to that establishment. The report of inspection will be submitted in a combined inspection form as per a
prescribed format. The Schedule of Inspection is to be put up by the Assistant Labour Commissioner / District Labour Officer to the Collector & District Magistrate for approval by the 1st of December of the preceding year and may be approved by the Collector latest by 15th December, marking one copy to the Labour Commissioner, Odisha. In case the Collector fails to approve the schedule by 15th December, the same shall be sent by the Assistant Labour Commissioner / District Labour Officer to the Labour Commissioner, Odisha for approval. The list of labour laws requiring inspection is at Annexure-2. The format for preparing the Schedule of Inspection is at Annexure-3. The format for the report of the combined inspection under different labour laws is at Annexure-4.

For the calendar year 2015, the Schedule may be approved by the Collectors by 15th May, 2015. For the calendar year 2016 the schedule is to be approved by the Collectors by 15th December 2015.

You are therefore, requested to take immediate action for preparing and approving the said Schedule of Inspection for your district. The list of establishments requiring inspection are first to be consolidated for the district with inputs from the Labour Officer, Factories Inspector, G.M., DIC, Pollution Control Board, R.T.O., District/Block Officers undertaking construction work, DFO, Urban Local Bodies and Rural Local Bodies in the district. The identified establishments should include all the industrial establishments, shops and commercial establishments, construction sites, beedi and cigar establishments, news paper establishments and motor transport establishments in the district. The list is to be revised each year due to opening of new establishments and closing of some establishments.

The approved Schedule of Inspection for the current year 2015 should be submitted to this office by 3rd week of May, 2015.

Yours faithfully,

Encl.:– As Above.

COMPOSITE INSPECTION SCHEME

A. Objective
This Inspection Scheme aims to achieve the objective of simplifying business regulations and bring in transparency and accountability in labour inspections. It envisages objective criteria for selection of units for inspection.

B. Criteria for Inspections
The District Collector would, through the district labour administration, collect and analyse field level data for a transparent and accountable labour inspection system. The Collector will formulate objective criteria for selection of establishments for inspection, keeping in view the industrial situation in the district.

1. Mandatory Inspections:
   In the following cases, the inspections will be mandatory for all units:
   i. The establishments where a fatal or serious accident has occurred in last two years.
   ii. The establishments where strikes/lock out/retrenchment has taken place in last two years.
   iii. Closed establishments till their workers’ dues are settled.

2. Optional Inspections:
   In following cases, the inspections would be generated randomly, either through a computer or manually, taking into account the following factors:
   i. The establishment is falling in the category of hazardous industry [20%].
   ii. The establishments employing 50% Contract Labour or minimum of 20 number of Contract Labour [20%].
   iii. The establishments where total number of worker is more than 200 [20%].
   iv. All other establishments, as per priority criteria fixed by the Collector [40%].

C. Methodology
1. Master data on establishments to be collected and consolidated at district level.
2. Annual Inspection Schedule to be finalised taking into account criteria for inspections.
3. Inspectors to visit establishments as per pre-fixed schedule, and cover all applicable labour laws during a single inspection.
4. Inspectors to submit detailed inspection report as per prescribed format, within 3 days of inspection, to the next higher authority.

D. General Instructions
1. The inspecting officer has to maintain registers of the establishments.
2. He has to record the statement of workers present at the time of inspection.
3. In case of contradiction in the statements of employer’s, worker and entries in the record, the inspecting officer will seize the relevant records.
4. Notices/findings of inspection should be handed over to the employer’s representative on the work-spot by the inspecting officer himself.
5. The inspection should be carried out during the normal working hours as far as possible.
Annexure-2
